NON-COMPLIANCE SUMMARY

Violation Number Nature of Noncompliance

- I. Violation of Mandatory Condition #3: The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed 104 tests per year, as directed by the probation officer.**

On the following date, in or around Boston, Massachusetts, Mr. Fidler tested positive for the following substance:

---------	------------------

Evidence in support of this violation is National Laboratory test results and officer testimony.

U.S. Probation Officer Action:

Due to the above recent positive drug tests and previous tests, Mr. Fidler has engaged in Intensive Outpatient Programming with North Suffolk Community Services, which includes increased testing for substances. Mr. Fidler will continue to be randomly tested for substances during contacts with the Probation Office. Mr. Fidler remains in medication-assisted treatment and mental health treatment through Boston Medical Center. Mr. Fidler has also recently been accepted into the CARE program.

The U.S. Probation Office would note that Mr. Fidler has now tested positive for illegal substances three times over the course of one year, and that pursuant to 18 U.S.C. 3583(g)(4), Mr. Fidler may be facing mandatory revocation. Considering the current circumstances however, the U.S. Probation Office is respectfully requesting that the Court refrain from taking any action at this time and invoke the treatment exemption pursuant to 18 U.S.C. § 3583(d). If Your Honor concurs with this recommendation, could you please indicate by endorsing below.
